ABOUT US

PT SUPERIOR PORCELAIN SUKSES

PT Superior Porcelain Sukses is part of SPS Corporate, focusing on the granite tile industry.

Established in 2023 and completed in 2024, our factory is now fully operational and ready to produce high-quality granite tiles that emphasize quality, aesthetics, and durability.

This marks not only the beginning of our business journey but also a meaningful contribution to the development of Indonesia's building materials industry.

Timless Elegance, Unlimited Innovation

VISION

To build a global organization that grows sustainably by the grace of God, leaving a lasting legacy and continually serving as a channel of blessings to all stakeholders.

Factory's Location

Equipped with advanced technology and operated by a professional team, ensuring the production of superior granite tiles distributed throughout Indonesia.

Production Capacity
Target: Up to 24 million m²
per year

Operational Since: 2024

Location: Jalan Raya Cipendeuy Pabuaran, Kadawung Subdistrict, Pabuaran District, Subang Regency, West Java – 41262

Products

We apply innovation at every stage of production to ensure our granite tiles meet high standards—not only in strength and durability but also in aesthetics.

PT Superior Porcelain Sukses offers two types of granite tiles:

01
HOMOGENEOUS TILES

Granite tiles with uniform structure and color from surface to core. These tiles are highly resistant to scratches, making them ideal for high-traffic public areas such as malls and commercial buildings. Available in elegant texture and color, combining functionality with beauty.

02
GLAZED POLISHED TILES

Granite tiles that are glazed and polished, available in a variety of patterns and colors. These are a perfect choice for residential or commercial interiors where aesthetic appeal is a priority.

BRANDS

PT Superior Porcelain Sukses proudly presents four premium brands that meet the **B1A quality standard.**

Each product is specially and modernly manufactured to cater to a wide range of market needs—from **residential and commercial spaces to large-scale projects.**

01 OLIVERA Granite

Timeless and stylish tiles — the ideal choice for elevating the professionalism of your interior projects.

02 ARA Granite

Brings nostalgic charm with classic elegance, creating comfort and serenity at home.

03 AURORA Granite

Brighten your space with warmth and cheer — perfect for joyful family moments.

04 REXTON Granite

Offers modern exploration with dynamic textures — fresh and inspiring designs for the young and spirited.
